MU. WHERE DREAMS FLOURISH: GROWTH UNLEASHED

Monark University is delighted to announce the establishment of Ahmedabad's first self-financed Ayurveda Medical College, a milestone in the field of holistic healthcare education in our city. This initiative aims to provide aspiring Ayurveda practitioners with an opportunity to receive quality education and training in the ancient wisdom of Ayurveda, combined with modern scientific advancements.

AHMEDABAD'S 1ST SELF-FINANCED
AYURVEDA MEDICAL COLLEGE IN MU

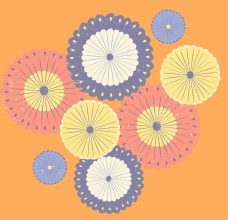

Within the university's vibrant tapestry, a new brushstroke emerges as the pharma college finds its place, weaving threads of innovation and knowledge into the fabric of tomorrow's healthcare. MU Pharmacy Colleges, aims to shape the next generation of pharmacists who will make significant contributions to the healthcare industry. MU facilities are designed to provide students with hands-on experience in various aspects of pharmaceutical sciences and engage in research projects that contribute to the advancement of pharmaceutical sciences.

SHAPING FUTURE LEADERS THROUGH INDUSTRY COLLABORATION

In order to facilitate practical learning and provide industrial exposure to the students of Monark University, the university has entered into a series of Memorandum of Understanding (MoUs) with renowned companies across various sectors. One of the companies is TATA IIS (Indian Institute of Skills), a renowned engineering sector integrator. This achievement is truly remarkable as Monark University becomes the first institute in the state of Gujarat to successfully implement and complete this program in partnership with TATA IIS. The purpose of these MoUs is to bridging the gap between theoretical knowledge and real-world application.

RHYTHMS OF CELEBRATION: A VIBRANT JOLLIFICATION OF DIVERSITY

MERRIMENTS @ MU

To commemorate the spirit of expressions, The "Abhivyakti" Annual Day Celebration, held on the 18th and 19th of April 2023, breathed life into the festive spirit, bringing together our university community in a joyous extravaganza. This two-day event was a vibrant showcase of creativity, talent, and the boundless energy of our students, keeping the festive spirit alive throughout the event where the lively atmosphere and spirited performances elevated the festive ambiance to new heights and Jovial Aura remained palpable. The faculty fashion show adds an exciting element to the event, as it provides a platform for the faculty to step out of their usual roles and participate in a creative and expressive activity. It's astonishing that even the President, Vice President, CEO and the Campus Director of Monark University participated in the annual function by giving a special performance. Their involvement adds significance and excitement to the event.

D'Fest: Celebrating Talents in a Kaleidoscope of Performances where the event transformed MU campus into a vibrant hub of creativity, as students from various disciplines showcased their remarkable skills in singing, drama, dance, mime, and a spectacular fashion show. Different competitions were held throughout the festival, including talent shows, one-minute games, fashion shows, and treasure hunts. The air was filled with excitement and anticipation as the stage was set for an unforgettable day of performances and celebrations. The event truly showcased the vibrant and creative spirit that thrives within our university community. D'Fest also included community service projects where students had participated in volunteer work and blood donation campaigns.

FAITH : THE LIGHT IN A WORLD OF DARKNESS

GET IN THE GAME, IT'S SPORTS DAY!!

IMPETUS 2023

In a momentous event, MU had the privilege of hosting Colonel H. A. Joshi, the esteemed Commanding Officer of the 9 Guj BN NCC (National Cadet Corps) in Ahmedabad, during our Impetus 2023 Sports Day. The visit of this remarkable military leader added a touch of grandeur and inspiration to the occasion, leaving an indelible mark on the hearts and minds of all attendees.

At Monark University, the celebration of Republic Day and Independence Day took on a special significance as we paid homage to the immense sacrifices made by our freedom fighters and commemorated the establishment of our democratic republic. Among the various activities, the NCC Parade held a prominent position, showcasing discipline, patriotism, and the spirit of service among our NCC cadets. As a gesture of recognition and appreciation, medals were distributed to deserving individuals who had excelled in various fields, such as academics, sports, and social services. Adding to the emotional and patriotic ambiance, a melodious patriotic song was performed by students, filling the air with pride and love for our country.

NATION'S COMMITTED CADETS !!!

We are proud to announce that Lt. Dr. Amitkumar L. Bhoi, an exceptional individual, has been selected as an Associate NCC Officer (ANO) in the prestigious Republic Day Camp (RDC) 2023 from Gujarat Directorate. Lt. Dr. Bhoi's remarkable dedication, leadership skills, and commitment to serving the nation have earned him this esteemed opportunity. Moreover, Lt. Dr. Bhoi's journey took an extraordinary turn when he received a once-in-a-lifetime opportunity to visit the esteemed residence of our Honourable Prime Minister. This remarkable privilege is a testament to his remarkable achievements and contributions to the nation.

IN SERVICE WE RISE, NCC CADETS, REACHING THE SKIES!

Monark University thrilled to share the remarkable achievement of Mr. Chauhan Rahulsingh, a student from our esteemed university, who has been selected to join the Indian Army's prestigious Agniveer division. Addition to that, with immense pride Monark University delighted to announce that two exceptional students from our esteemed university, Mr. Vishwas Patel and Ms. Vimla Baghel, have been selected to represent our institution at the prestigious Intergroup Shooting Competition at the National level. A wave of excitement and pride swept through the halls of Monark University as a team of exceptionally talented students from the university's National Cadet Corps (NCC) division was chosen for the prestigious Guard of Honour (GOH) in 9 Guj. BN. NCC Ahmedabad.

Fenil Patel and Patil Ajay, two talented students of MU, recently showcased their exceptional skills and competitive spirit by participating in different sports competitions at the Association of Indian Universities (AIU). Fenil Patel, representing Monark University, took part in the highly anticipated hockey competition on the other hand Patil Ajay participated in Powerlifting Competition at the AIU. Ajay's and Fenil commitment to his sport extended far beyond the competition itself.

EXPLORE THE SECRETS BEHIND INDUSTRIES: A JOURNEY OF DISCOVERY!

Embarking on an exciting journey of knowledge, the Department of Civil Engineering orchestrated a one-day industrial visit to the esteemed National Academy of Indian Railways. The visit was meticulously designed to immerse the students of Civil Engineering into the captivating realm of the Indian Railway Operating process. With eager anticipation, the students set foot on the hallowed grounds of the academy on the 30th of April 2023. Being a part of interactive learning, The Department of Civil Engineering organized a one-day Industrial Visit for its students to Bhaskaracharya National Institute for Space Applications and Geo-informatics (BISAG-N). The purpose of the visit was to provide students with a comprehensive understanding of Remote Sensing and GIS (Geographic Information System) applications in the field of Civil Engineering. On the 14th of September, the students had the opportunity to explore the facilities and projects conducted by BISAG-N, gaining valuable insights into the practical applications of these technologies.

In a remarkable collaboration between the Gujarat Council on Science and Technology (GUJCOST), the Department of Science and Technology (Government of Gujarat), and the Electrical Engineering Department of Hasmukh Goswami College of Engineering, Monark University, a transformative seminar titled "Introduction, Advancement, and Application of Artificial Intelligence (AI) Techniques in the field of Engineering and Science" was held on the 19th of November 2022. With expert speakers and thought leaders at the forefront, the seminar offered comprehensive discussions on the integration of AI techniques across various verticals in the engineering and science domains. Attendees had the opportunity to gain insights into how AI is revolutionizing fields such as robotics, automation, data analysis, and predictive modeling. It served as a stepping stone for attendees to delve into the fascinating world of AI techniques.

Accompanying her was Mr. Dhruv Patel, the accomplished Incubation Manager from the prestigious MSME Entrepreneurship Development Institute of India (EDII), who shared invaluable guidance and support for aspiring entrepreneurs.

WORDS THAT PAINT A THOUSAND EMOTIONS!!!

ચલો કરો, કૈઈક નવી શરૂઆત

કેટલી સરસ સવાર તમારી રાહ જોઈ રહી છે, પક્ષી ની પાંખો ઉડવા માટે તમને બોલાવી રહી છે.
અંધારા પર અજવાળા એ પ્રકાશ પાડ્યો છે, તમારું જોમ તમારી કૈઈક શરૂઆત કરવાની રાહ જોઈ રહ્યું છે.
કોઈક નવી તક તમને બોલાવી રહી છે, નવી દિશા મારગડો આપી રહી છે.
આશા એ નિરાશા પર જીત ની મીટ માંડી છે, લક્ષ્મી ચાંદલો કરવા તમારી જ રાહ જોઈ રહી છે.
તમારા પગ ને દોડવું છે, તમે જરાક ચાલવાનું તો નક્કી કરો.
અમને તમારા પર વિશ્વાસ છે, જરા મેદાન પર તો આવો.
તમારું બધું જ જોમ ભેગું કરો, હાથો માં હાથ રાખો અને જોર થી કહો,
બહુ જ થયું, હવે,હવે તો હું આગળ વધીશ જ...
